

14.1 Single Pendant

Designer: **Omer Arbel**

Manufacturer: **Bocci**

~~Was £570~~ Now £484

DESCRIPTION

14.1 Single Pendant Light by **Omer Arbel** for **Bocci**.

An articulated cast glass hemisphere with a frosted cylindrical void that houses a low voltage or LED lamp. Individual pendants are visually subtle but gain tremendous strength when multiplied and clustered in large groups.

Designed in 2005, the light interacts with the imperfections, rifts, bruises and bubbles of the cast glass to make a rich halo of light.

Because cast glass is an organic process - handcrafted and imperfect by nature - each piece produced is unique.

The 14.1 pendant light is also available as a **chandelier** and in a cluster of **three lights**.

DIMENSIONS

10.2dia x 10.2cmh

Cable length: 300cm

MATERIALS

Made from clear cast glass with coax cable. Canopy in either white, black or brushed nickel.

Light source (included): Xenon 2600K.

IP30 rated.

The mini canopy requires a new build/suspended ceiling with remote mounted power supplies.

The light is customisable and can be ordered with pendants in grey or sepia, additional cable length, alternative light source (LED 2500K, 2700K or 3000K) and different canopy finishes (white or black). Please **enquire** for details.

Please note: This is a CE-approved product and should only be used in countries that accept and adhere to this standard. If used in other countries, it will be the sole responsibility, risk and liability of the customer.
