DESCRIPTION

Urban Bottle by **24Bottles**.

The Urban Bottle offers a sleek and compact container to carry with you on the go. Every vessel is printed with -0.04 or -0.08 as a reminder that each time you choose to refill this bottle, you avoid releasing the equivalent amount of CO₂ into the atmosphere by not buying a plastic one. Made from lightweight, brushed stainless steel with an orange lid, this single-wall bottle is an eco-friendly choice for staying hydrated throughout the day.

Available in two convenient sizes.
