£7,280 -30% now £5,096

Ex-display items have some signs of use and we recommend a detailed condition report prior to purchase.

This item is a one-off clearance item to be sold on a first order, first served basis

Bocci uses glass blowing and glass, ceramics and metal sand-casting to produce their unique, hand-crafted lights.

The 28 series is made using a complex glass process whereby the air temperature and the direction of airflow are manipulated into blown glass. The result is a distorted sphere with a composed collection of inner shapes, one of which is made of opaque milk glass and houses a 1.5w LED lamp.

The 28 stem collection is a statement group of glass blown luminaires available as floor, ceiling or columnar installations.

Please note: the images are for reference only and do not reflect the sphere colours of the ex-display product. The ex-display light has **six shades**.

DIMENSIONS

6 Stem length: 186cm (73.2') stem

Individual sphere: 16.5cm dia

Canopy: 14.5cm dia

MATERIALS

Blown glass, electrical components, white canopy.

The brass used in the Stem Series is untreated and, as such, will develop a natural patina over time. To avoid any marking or tarnish on the brass during handling and installation, please use the gloves provided in the shipment.

Bulb (**included**): 1.5w LED.
