

28 Stem Suspended

Manufacturer: **Bocci**

£8,960

DESCRIPTION

28 Stem Suspended Pendant by **Bocci**.

Bocci uses glass blowing and glass, ceramics and metal sand-casting to produce their unique, hand-crafted lights.

The 28 series is made using a complex glass process whereby the air temperature and the direction of airflow are manipulated into blown glass. The result is a distorted sphere with a composed collection of inner shapes, one of which is made of opaque milk glass and houses a 1.5w LED lamp.

The 28 stem collection is a statement group of glass blown luminaires available as floor, ceiling or columnar installations.

Please see the downloadable PDF for full specification.

Please note: price given is for spheres in clear glass in a suspended pendant.

Other options are available against a surcharge. Please enquire for more information.

DIMENSIONS

6 Stem length: 186cm (73.2') stem

Individual sphere: 16.5cm dia

Canopy: 14.2cm dia

MATERIALS

Blown glass, electrical components, brass, black, or white canopy.

The brass used in the Stem Series is untreated and, as such, will develop a natural patina over time. To avoid any marking or tarnish on the brass during handling and installation, please use the gloves provided in the shipment.

Bulb (**included**): 1.5w LED.
