DESCRIPTION

About A Chair AAC 22 | Upholstered Seat by Hee Welling for HAY.

The idea behind the About A Chair collection was to develop a chair of conspicuous simplicity. A chair which works just as well around the dining table as around a conference table, in a canteen or at the office. The ambition of designer Hee Welling has been to combine form, function, comfort, detail and aesthetics.

About A Chair is a family of chairs where all shells and frames can be combined - but where diversity is possible without perfection being compromised.
