

Long Brush and Dustpan Set

£99

DESCRIPTION

Long Brush and Dustpan Set by Andree Jardin.

Inspired by old collector cars and traditionally considered masculine materials, namely leather, the Long Brush and Dustpan Set boasts a timeless, refined design, which makes a great addition to any household. The robust broom, with bristles made from horsehair, is accompanied by a long-handled metal pan, making it ideal for cleaning larger spaces.

Andree Jardin brushes are produced in tiny batches to reduce waste and overproduction.
