DESCRIPTION

Slow Coffee Grinder by **Keiji Takeuchi** for **Alessi**.

The Slow Coffee Grinder's design embodies Keiji Takeuchi's minimalist philosophy, showcasing his talent for reimagining everyday items by capturing their essential forms.

The act of grinding fresh beans and brewing through slow percolation transforms the ordinary coffee routine into a unique experience that also preserves the flavour of the beans.

For the ultimate brewing experience, pair with the Slow Coffee Set, available in the 'related products' section below.
