

Pulcina Espresso Maker

Designer: **Michele De Lucchi**

Manufacturer: **Alessi**

£75

DESCRIPTION

Pulcina Espresso Maker by Michele De Lucchi for Alessi.

Experience the innovative design of the 2015 Alessi Pulcina Espresso Maker, crafted by renowned Italian Architect Michele De Lucchi. From its striking red handle to its curved but intricate angular design, this coffee maker is truly a statement piece.

The Pulcina not only looks great but also makes exceptional coffee. Its careful construction ensures that it stops dispensing espresso before it becomes too bitter, making the perfect cup every time. Enhance your morning coffee ritual with this iconic kitchen accessory.

DIMENSIONS

15.2w x 9.2d x 20cmh, 15cl
3 cups.

MATERIALS

Made from aluminium casting with a red polyamide handle and knob.

Magnetic steel bottom suitable for induction cooking.

Please note: Check that your induction hob can switch on when an item with a diameter of at least 90mm is placed on it.
