DESCRIPTION

Big Body Brush by **Andrée Jardin**.

The Big Body Brush by Andrée Jardin is a versatile and sustainable shower accessory that can be used for exfoliation, stimulating blood circulation, or providing a relaxing massage. It can also be used for dry body brushing to relieve muscle tension and release toxins.

The brush's ergonomic shape is astutely designed and provides a comfortable grip during use.

Andrée Jardin's commitment to quality and sustainability is evident in the materials they use and their manufacturing process. By producing their brushes in small batches, they can minimise waste and ensure that each brush meets their exacting standards.

Their use of natural materials like hog bristle, horsehair, and plant fibres ensures high quality while maintaining a low environmental impact.
