

Long Handled Back Brush

Manufacturer: **Andree Jardin**

£28

DESCRIPTION

Long Handled Back Brush by Andrée Jardin.

Drawing inspiration from the vintage toiletries of French grandmothers, the Andree Jardin Long Handled Back Brush is perfect for daily use in the shower or bath as it invigorates your skin by exfoliating and removing dead cells.

With an ergonomic design and a long handle for easy reach, the brush features two sides - one with long bristles for gentle massaging and another with short bristles for effective exfoliation.

The brush can also be used as a dry body brushing to stimulate toxin release before a relaxing bath.

DIMENSIONS

30 x 9cmh

MATERIALS

The handle is crafted with beechwood sourced from French sustainably managed forests.

The bristles are made from natural hog bristles.

Complete with a cotton string for hanging.

Made in France.
