DESCRIPTION

Framed Rug by **All the Way to Paris** for **&Tradition**.

Designed by the Danish-Swedish design studio, All the Way to Paris, Framed is a handcrafted rug that introduces subtle colour accents to its interior. Its name comes from the contrasting coloured borders, which explore the relationship between the frame and the framed.

The rug is crafted from 100% New Zealand wool using a hand-weaving technique for the vibrant border and kilim for the monochromatic centre; the result is a rug with a subtle three-dimensional and tactile detail with various tufting heights.

Play into the design by using the borders as a frame to showcase your coffee table.
