

## Pavilion Chair | Sled Base

Designer: **Anderssen and Voll**

Manufacturer: **andtradition**

£280

### DESCRIPTION

**Pavilion Chair by Anderssen + Voll for &Tradition.**

The Pavilion range by Anderssen + Voll pays tribute to Copenhagen's Langellini Pavilion, a fully modernist structure created by architects Eva and Niels Koppel. Crafted specifically for the pavilion, the furniture design captures the minimalist essence of the movement.

In 2025, the Pavilion Sled was added to the range, maintaining the same pressed seat and back form as its predecessor, but with a steel sled base designed for the contract market. This version is ideal for accommodating large groups, making it an excellent choice for events such as conferences or theatre performances.

### DIMENSIONS

52w x 50d x 47/79cmh

### MATERIALS

Form pressed veneer seat in black lacquered oak, lacquered oak, or lacquered walnut.

All lacquers used are water based.

Black steel frame.

The back rest fittings are made from black, but can be ordered in brass upon request.

Stackable up to 8.

&Tradition is B Corp Certified. The wood used in the Pavilion Chair is FSC certified.
