DESCRIPTION

Ville Table by **Anderssen + Voll** for **&Tradition**.

Crafted by Torbjørn Anderssen and Espen Voll in 2023, the Ville series seamlessly integrates outdoor furniture with the natural environment.

The collection is characterised by sleek steel frames and inviting teak surfaces, skillfully blending clean aesthetics with functionality.

Meticulously developed for optimal proportions and ergonomics, the duo carefully worked on 1:1 models and explored materials while creating the collection.

Emphasising durability, the table, constructed with untreated teak and a robust steel structure, stands resilient against diverse weather conditions and corrosion. The collection is intentionally crafted for disassembly, repair, and renovation, showcasing a commitment to timeless outdoor furniture that gracefully matures over the years.
