DESCRIPTION

Develius Modular Sofa, Configuration A by Edward van Vliet for &Tradition.

The Develius sofa is a great choice for those looking to customize their seating arrangement. With 16 different modules in a variety of widths, depths, and shapes, you can create a two-person loveseat or a spacious four-seater or more. The modern design features oversized cushions that are elegantly shaped and luxuriously padded for maximum comfort. The Configuration A Develius sofa, made up of the EV1A and EV1B modules, is a comfortable two-seater suitable for any contemporary space.

Apart from the set configurations, the range includes a variety of options such as square and rectangular components, chaise longue pieces, end pieces with and without arms, poufs, and scatter cushions. To see all the available pieces, please download the Develius modular components pdf. For other set configurations available, please view the Product Range below.

Please note that the pricing example seen here is for configuration A. Please enquire about custom configurations.
