

Drip Table | Solid Edge

Designer: **Hee Welling**

Manufacturer: **andtradition**

£1,505

DESCRIPTION

Drip Table | Solid Edge by **Hee Welling** for **&Tradition**.

In 2025, Hee Welling introduced a new finish to the Drip collection; a solid wood edge in either oak or walnut. Sharing the same characteristics as the designs before, clean lines, an aluminium base and robust construction, the new finish is designed to have a more residential feel than its predecessors.

The Drip table is delivered flat-packed for easy assembly, reducing its carbon footprint. It has been carefully designed for hassle-free assembly.

DIMENSIONS

Small: 143w x 83d x 75cmh

Medium: 193w x 83d x 75cmh

Large: 253w x 83d x 75cmh

MATERIALS

The table top is crafted from MDF, solid oak and oak veneer or solid walnut and walnut veneer, whilst the base is made from extruded aluminium.

Plastic gliders are installed as standard.

&Tradition is B-Cor Certified. The veneer used is FSC-Certified.
