

Rely Outdoor Chair

Designer: **Hee Welling**

Manufacturer: **andtradition**

£220

DESCRIPTION

Rely Outdoor Chair designed by **Hee Welling** for **&Tradition**.

Hee Wellings's Rely outdoor chair embodies the Danish designer's clean, minimalist aesthetic. A part of the Rely family, the ergonomic seat features a similar design to the Rely HW6, with the addition of astute attributes that strengthen it for outdoor use.

At the rear of the seat is a small hole designed to allow water to escape, whilst the plastic has a UV protection to prevent the sunlight from bleaching it.

DIMENSIONS

47w x 55d x 46/82cmh

MATERIALS

The shell is made from 100% recycled polypropylene with fiber glass and a steel tube base.

Plastic gliders installed as standard.
