DESCRIPTION

Tripod Table Light | HM9 by **Hvidt + Mølgaard** for **&tradition**.

Following the success of the Tripod HM8 Floor Lamp, &Tradition expanded the Tripod collection by introducing the HM9 Table Lamp.

The HM9 Table Lamp shares the defining characteristics of the original design. While the floor lamp was initially designed in 1953, it wasn't produced until 2020 when &Tradition brought it to life using sketches from the Danish design duo's archive.

The lamp's design reflects the clean minimalism of the Copenhagen-based duo Hvidt & Mølgaard, offering a sculptural element to any space it inhabits.

In 2024, &tradition further evolved the design by introducing a new colour, white, and a swivel joint, allowing the shade to be rotated from left to right.
