### DESCRIPTION

**Momento Candleholder JH39 by Jaime Hayon for &tradition.**

The 2023 Momento Collection embodies a delightful array of home decor pieces meticulously crafted to inspire us to embrace life's unhurried moments and relish in its uncomplicated joys. A tribute to the timeless candle holder design, the Momento Candleholder seamlessly merges a sentimentally cherished style with a modern essence, beckoning us to wander through rooms and eras alike.

Skillfully moulded and glazed with meticulous care by skilled artisans in Portugal, this Candleholder emerges in a quartet of hues drawn from Hayon's artistic vision. Azure and Poppy Red infuse spaces with vibrant, bold shades, while Ivory and Red Brown introduce opulent, refined tones that elevate interiors.

Created to infuse bursts of colour within both personal abodes and hospitality domains, these four variations are tailored to accommodate standard taper candles, enveloping surroundings in a cosy and inviting glow once ignited.

### DIMENSIONS
