DESCRIPTION

Margas LC2 lounge chair by **Louise Liljencrantz** for **&Tradition**.

Named after Liljencrantz's grandmother, Marga von Dardel, the Margas series comprises three inviting seats with simple, sculptural forms.

The designs were born from Liljencrantz's desire for comfortable seating that could take centre stage in a room and feature organically curved frames. The Margas LC2 features a discrete swivel base, making it a functional and flexible seat.

Available in a refined colour palette, the lounge chair creates a feeling of warmth and comfort in any space. Designed to accompany the Margas LC1 lounge chair and two-seater Margas LC3 sofa, the seat is ideal for residential and commercial spaces alike.
