

Caret Portable Light

Designer: **Matteo Fogale**

Manufacturer: **andtradition**

£180

DESCRIPTION

Caret Portable Light MF1 by **Mateo Fogale** for **&Tradition**.

A re-imagination of the traditional bankers lamp, the Caret lamp has been designed in response to the increasingly blurred boundaries between work and home life.

The portable lamp, which has been made entirely from lacquered steel, features an elongated pyramid-shaped shade elevated by a tall, rounded base.

The lamp emits a soft, diffused light and is available in two colours: dark burgundy and silk grey.

DIMENSIONS

15w x 10d x 22cmh

MATERIALS

The shade and base are made of a spun and welded metal, with the battery compartment made of moulded ABS.

Light source: 1W LED light bulb, 100 lumen, CRI >85, 2700K

Estimated LED lifetime: 25.000 hours.

Three-touch dimmer on base.

Magnetic micro USB charging with 200cm cable.

IP44.
