DESCRIPTION

Alima Trolley NDS1 by **Note Design Studio** for **&Tradition**.

Inspired by the creative chaos often resulting from working from home, Note Design Studio designed the Alima Trolley for &Tradition in 2022.

The versatile storage solution has been thoughtfully designed to hold and easily relocate books, magazines and other items. Its sleek V-shaped design provides ample space for storing and displaying stacked books, while the wooden tray can be positioned anywhere on the frame for further flexibility. The Alima doubles as an excellent drinks trolley, with generous space for carafes, glasses and bottles.
