

Pivot Portable Lamp

Manufacturer: **andtradition**

£265

DESCRIPTION

Pivot Portable Lamp ATD7 by &Tradition.

A minimalist light that combines form and function, &traditions Pivot portable lamp explores the interplay between natural and artificial light through its materials.

Its geometric shade is positioned at a 45-degree angle to the base, creating a soft diffusion similar to the warm glow of a candle.

The contemporary light, designed in 2023, blurs the lines between object and portable light, resulting in a light with a presence that is both practical and sculptural.

DIMENSIONS

10w x 10d x 26cmh

MATERIALS

The shade and base are bent and welded into the cube shape. The parts are then painted or chrome plated for the mirror shade.

Light source (included): G4 LED 3W, 2800K, CRI: 80, 225 lumen.

Charging time: 16 hours.

Operating time in highest light setting: 20 hours.

3 touch dimmer: 100%, 70% and 40%.

Micro USB Charging cable (200cm) included.
