Manufacturer: **andtradition**

£170

DESCRIPTION

Mega Bulb Pendant Light SR2 by Sofie Refer for &Tradition, 2006.

Mega Bulb, though superior in size, is actually the younger sister of the Bulb pendant. Just as beautiful, just as elegant, Mega Bulb is the answer to all requests for poetic lighting in larger rooms and spaces.

The small irregularities in the mouth-blown glass make each of the pendants one of a kind and add the story of the glass master's personal efforts in changing sand, soda and chalk into a modern classic using a thousand-year-old method.

Must be ordered in pairs of the same finish.
