

Capture Wall Hook

Designer: **Space Copenhagen**

Manufacturer: **andtradition**

£100

DESCRIPTION

Capture Wall Hook SC76 by **Space Copenhagen** for **&Tradition**.

Space Copenhagen's Capture Wall Hooks are a practical and contemporary storage solution. Inspired by the branches of a tree, the powder-coated metal wall hooks extend out from the base and are complete with circular oak knobs.

Ideal for hanging your daily wear, the arms can be shifted left and right for increased flexibility and ease of use.

The wall hooks are available in two finishes; multi-coloured hooks for a playful aesthetic and natural oak for a classic style.

The small and medium-sized hooks feature three arms, whilst the large size has ten.

DIMENSIONS

Small: 5w x 16.4d x 27cmh

Medium: 6w x 23.2d x 37cmh

Large: 55w x 16.4d x 25cmh

MATERIALS

Powder coated aluminium and lacquered oak. The metal parts are cast from powder coated aluminium, whilst the wooden knobs are turned from a solid oak, finished with a lacquer.

Available in two finishes: graphite with natural oak knobs or graphite with coloured knobs.
