DESCRIPTION

Collect Large Carafe SC63 by **Space Copenhagen** for **&Tradition**.

The Collect Large Carafe by Space Copenhagen is a handcrafted piece made through a mouth-blowing process. The form of the carafe takes on a subtle twist to the classic silhouette, resulting in a timeless but contemporary piece for your home. This vessel is part of the Collect series of glassware, which draws inspiration from the motion of whirlpools in water to create a refined and delicate glass texture.
