DESCRIPTION

Collect Large Tumbler Set SC61 by Space Copenhagen for &Tradition.

The Collect Large Tumbler by Space Copenhagen are part of a broader series of homeware products and furnishings from the design duo. Each piece in the glassware collection is hand-crafted and mouth-blown to achieve its unique, delicate look. Taking reference from swirling ripples of water and a subtly curved lip inspired by traditional Asian design, this set of two large tumblers will add classic elegance to any table or kitchen.
