

Como Portable Light

Designer: **Space Copenhagen**

Manufacturer: **andtradition**

£180

DESCRIPTION

Como Portable Light SC53 by **Space Copenhagen** for **&Tradition**.

Space Copenhagen's Como lamp is a portable table lamp crafted from anodised aluminium.

Designed to be moved from room to room with ease, the lamp features a mushroom-shaped shade and a sturdy, tapered base and has a gentle essence despite being crafted entirely from metal due to its soft curves.

The lamp has a discreet dimmer with three different settings, allowing lighting to be altered to match the ambience.

DIMENSIONS

15.6dia x 21cmh

MATERIALS

The base and shade are made from extruded aluminium, whilst the battery compartment is made from moulded ABS.

Available in the following finishes: aluminium, bronze, black, brass, red brown and stone blue.

Light source: 1W LED, 100 lumen, CRI >85, 2700K

LED life time: 25.000 hours.

Dimmable.

Magnetic USB charging with 200cm cable.

IP44. The lamp can be taken outdoors but must be kept and stored inside.
