DESCRIPTION

Fly Table by **Space Copenhagen** for **&Tradition**.

The Fly range is comprised of an armchair, two sofas, two tables, and a pouf. Designed by Space Copenhagen, the range embodies the simplicity of Scandinavian furniture design. Natural wood features alongside contemporary materials to create a harmonious blend of old and new.

The Fly table is a classic example of this blend. Low and sturdy, the oiled oak base is married with a carefully cut top of Italian marble in a complementary shade. In this way, the Fly table is an unobtrusive presence, and works as a stand-alone table or completes a suite of Fly chairs and sofas.

Available in two sizes.
