### DESCRIPTION

**Fly Two-Seater Sofa with Table** by **Space Copenhagen** for **&Tradition**.

The Fly range is comprised of an armchair, two sofas, two tables, and a pouf. Designed by Space Copenhagen, the range embodies the simplicity of Scandinavian furniture design. Natural wood features alongside contemporary materials to create a harmonious blend of old and new.

The Fly sofa is a classic example of this blend. Spindles and a single piece of curved oak form the arms and backrest, while a wide and deep oak board forms the seat. Combined with the six scatter cushions and two generously padded seat cushions, the result is a casual, relaxed sofa for daily use. The sofa is available in 40cmh seat height.

When placing your order online, please select the fabric category and add the fabric code/description to confirm the upholstery category required.

Also available with **no side table**.
