DESCRIPTION

Thorvald Lounge Side Chair by **Space Copenhagen** for **&tradition**.

Designed by Space Copenhagen, the Thorvald Lounge Side Chair pays tribute to the neo-classical artist Bertel Thorvaldsen and the vibrant atmosphere of his hometown, Copenhagen.

Seamlessly integrating with its surroundings, the seat draws inspiration from the artist's body of work and the eponymous museum in Denmark where much of it lives, evident in the chair's sculptural silhouette of rhythmic lines and gentle curves.

Perfect for unwinding in outdoor spaces, the lounge chair pairs wonderfully with the Thorvald Side Table, providing a convenient spot for your book or beverage while relaxing.

Please note: all orders must be made in multiples of 2 in the same colour.
