DESCRIPTION

Thorvald Side Chair by **Space Copenhagen** for **&tradition**.

The Thorvald Collection is a contemporary outdoor furniture series that pays homage to the neo-classical artist Bertel Thorvaldsen and the vibrant atmosphere of Copenhagen. Inspired by the artist's oeuvre and the eponymous museum that showcases his sculptures, the range features sculptural silhouettes that seamlessly blend with any setting.

As with Thorvaldsen's sculptures, the Thorvald Side chairs can be admired from all angles, with the form drawn from the rhythmic lines, curves, and classic, romantic imagery of the sculptor's work.

For additional comfort, combine the seats with the optional cushions, available in two sizes and two upholstery options.

Please note: all orders must be made in multiples of 2 in the same colour.
