DESCRIPTION

Betty Armchair by Thau + Kallio for &Tradition.

For a limited time, buy three chairs of the same variant and get one free. Offer valid from March 1st to April 30th, 2025.

Originally designed in 2020 for the Betty Nansen Theatre in Copenhagen, the Betty collection is defined by solid wood frames and a robust construction. The seats were born from a specific request to create a lightweight, easily transportable bench, which laid the foundation for the rest of the design concepts.

In 2024, the Betty collection expanded with the introduction of a smoked oak finish and a new armrest design. This updated chair keeps the same aesthetic as the original dining chairs but adds arms for enhanced comfort.

The smoked oak finish is in line with Kallio's In Between collection, also produced by &Tradition.

Quickship available for un-upholstered chairs only.
