Designed in 1968 by Verner Panton the FlowerPot collection was inspired by the hippie movement, lightening up in a variety of bright colours. The Flower Pot with its two semi-circular spheres facing each other has long proved its lasting design quality.

A graphic lamp with a semi-domed upper shade, the VP9 showcases the experimental attitude of Verner Panton. A slightly smaller lamp compared to the Flowerpot VP3 table light, the VP9 is lightweight as well as portable and comes equipped with a USB charging cable.
