

## Petra Lounge Chair

Designer: **Viggo Boesen**

Manufacturer: **andtradition**

£2,301.67

### DESCRIPTION

**Petra Lounge Chair by Viggo Boesen for &Tradition.**

An evolution of Viggo Boesen's Little Petra, the Petra lounge chair shares the same aesthetics as the iconic seat - a low seat and a gracefully elevated, winged backrest - but with wider, taller dimensions.

The Little Petra was revived by &tradition in 2018 after original sketches were uncovered within a dusty cigar box in Viggo Boesen's archives. This revival heralded the chair's return to production after an absence of nearly eight decades.

The original design was named after Boesen's mother-in-law, Petra, known for her petite stature and lively personality. The new design shares the same bold personality in a larger form.

Versatility is intrinsic to Petra's design, making it an ideal choice for many spaces, from home interiors to hotel lobbies.
