

Original 1227 Brass wall mounted, 2014

Designer: **George Carwardine**

Manufacturer: **Anglepoise**

£279

DESCRIPTION

Anglepoise Original 1227 Brass wall-mounted light by George Carwardine for Anglepoise.

The Anglepoise Original 1227 Brass light comes in a range of heritage-inspired colours, with a twisted woven cable and brass detailing completing the look of this iconic Anglepoise design.

The 1227 Brass range is available in desk, wall and pendant options to ensure the versatility of a classic and timeless light.

Class 1 earth connection required.

DIMENSIONS

Shade diameter: 15cm

Shade height: 15cm

Max reach (from wall to shade): 60cm

Cable length: 200cm

MATERIALS

The wall-mounted model comes with a cast iron wall bracket which ensures the light is securely fixed and can be adjusted from this point to direct light as desired. The light stem incorporates the constant tension spring technology which is a signature Anglepoise feature.

The aluminium shade is available in Elephant grey or Jet black gloss finish paint with painted aluminium arms. The wall mount is colour matched in cast iron. Shade cap, bridle, spacers and fittings are brass.

Bulb (included): 20W CFL/10W LED max E27 bulb. Please note that bulb weight should not exceed 60g otherwise the light will be unbalanced.
