### DESCRIPTION

**MHL Edition Type 75 Mini Wall Lamp** by **Margaret Howell** for **Anglepoise**.

The Anglepoise Type 75 Mini wall lamp was designed by Sir Kenneth Grange in 2004, but has now been reimaged in Margaret Howell colours.

To be mounted to the wall or ceiling, then simply adjusted to aim the light where it's needed. Features Anglepoise constant tension spring technology. The lamp takes an energy-efficient E14 Edison screw bulb.

Available in Sienna, Saxon blue, and Yellow ochre, either hard-wired or with a cable and plug.
