

## Slim Plus | Round

Designer: **Bertjan Pot**

Manufacturer: **Arco**

£4,943

## DESCRIPTION

**Slim Plus Table | Round** by **Bertjan Pot** for **Arco**.

Designed in 2018, the Slim Plus Round Table is the latest addition to the Slim range by Bertjan Pot. The table stands out for its minimal appearance, featuring the same steel sandwich and wood construction as the rest of the range. Each material is carefully selected for its unique properties, resulting in a sleek and highly durable design.

This contemporary table showcases innovation and comes in different finishes and sizes to suit a range of commercial and residential settings.

## DIMENSIONS

Ø160 x 75cmh

Ø200 x 75cmh

Leg thickness: 3.8cm

## MATERIALS

Available with top and legs in a choice of oak, smoked oak, walnut or coloured lacquer on ash.

See materials pdf. for full colour range.

All wood is FSC, PEFC and STIP certified and available as either a veneer or duramas (semi-solid wood).

Lacquered with water based lacquers.

The Slim Plus Round Table upholds Arco's commitment to circularity and can be refurbished for long-lasting use.

Cable management accessories are available for the Ø200 table, please **enquire** for more information.
