

Hug Armchair, 2013

Designer: **Claesson Koivisto and Rune**

Manufacturer: **Arflex**

£2,852

DESCRIPTION

Hug Armchair by Claesson Koivisto Rune for Arflex.

Claesson Koivisto and Rune describe the Hug range as "our answer for a new iconic design, made to measure for Arflex". The Hug seating range is designed to embrace the sitter, creating a sense of refuge and relaxation. At the same time, its neat profile and elegantly slender base ensures it has great poise and elegance.

The Hug range consists of a standard sofa, a high-backed sofa and a series of armchairs.

DIMENSIONS

84w x 84d x 82cmh (seat height: 44cm. Arm rest height: 65cm)

MATERIALS

The metal base structure features wood detailing around the chair seat and adjustable black PVC feet. The seat and backrest are formed from upholstered moulded polyurethane foam, with a polyester slipcover.

Upholstery options:

T2: Cabas, Derby, Etoile

T3: Boucle, Cherie, Lama

T4: Hero 2, Mistral, Orbaco, Steelcut 3, Swing

T5: Divina MD, Gamma, Vega

Available in the leathers of arflex collection.

See the downloadable spec sheet for details

.The fabric cover is fully removable.

Burnished, white or gold lacquer versions or metal leg finishes for an additional charge. Finishes can be viewed on the downloadable base finishes spec sheet.

The wood detailing of the base is available in Oak, Walnut Canaletto, Wenge or Chocolate stained ash. See the base finishes spec sheet for details.
