## DESCRIPTION

**Hug small side armchair by Claesson, Koivisto & Rune for Arflex.**

Claesson Koivisto and Rune describe the Hug range as "our answer for a new iconic design, made to measure for Arflex". The Hug seating range is designed to embrace the sitter, creating a sense of refuge and relaxation. At the same time, its neat profile and elegantly slender base ensures it has great poise and elegance.

The Hug seating range consists of a standard sofa, a high-backed sofa and a series of armchairs.

## DIMENSIONS

58w x 63d x 79cmh (seat height: 45cm. Arm rest height: 64cm)

## MATERIALS

The metal base structure features wood detailing around the chair seat and adjustable black PVC feet.

The seat and backrest are formed from upholstered moulded polyurethane foam, with a polyester slipcover. The Hug small side armchair is available in a wide range of Arflex upholstery fabrics and leathers.

All upholstery is available to view in our shop and showroom or see the downloadable spec sheet for details. The chair cover is fully removable.

White, burnished or golden for the lacquered finish and metal finishes are available at an additional cost. These are included on the base finishes spec sheet.

The wood detailing of the base is available in Oak, Walnut Canaletto, Wenge or Chocolate stained ash. See the base finishes spec sheet for details.
