

Hug Sofa

Designer: **Claesson Koivisto and Rune**

Manufacturer: **Arflex**

£4,018

DESCRIPTION

Hug Sofa by Claesson, Koivisto & Rune for Arflex, 2013.

Claesson Koivisto and Rune describe the Hug range as "our answer for a new iconic design, made to measure for Arflex". The Hug seating range is designed to embrace the sitter, creating a sense of refuge and relaxation. At the same time, its neat profile and elegantly slender base ensures it has great poise and elegance.

The Hug seating range consists of a standard sofa, a high-backed sofa, lounge chairs and armchairs.

DIMENSIONS

Standard sofa: 150w x 84d x 82cmh (seat height: 44cm.

Arm rest height: 65cm)

MATERIALS

The metal base structure features wood details and adjustable black PVC feet. The seat and backrest are upholstered moulded polyurethane foam, with a polyester slipcover.

The Hug sofa is available in a wide range of Arflex upholstery fabrics and leathers.

Upholstery options:

T2: Cabas, Derby, Etoile

T3: Boucle, Cherie, Lama

T4: Hero 2, Mistral, Orbaco, Steelcut 3, Swing

T5: Divina MD, Gamma, Vega

Available in the leathers of arflex collection.

See the downloadable spec sheet for details, or view the fabric samples in our shop or showroom. The cover is fully removable.

Alternative colours are available for the lacquered finish and it is available with metal legs; all at an additional cost. These are included on the Hug base finishes spec sheet.

The wood detailing of the base is available in Oak, Walnut Canaletto, Wenge or Chocolate stained ash. See the Hug base finishes spec sheet for details.
