

Jules armchair, 2015

Designer: **Claesson Koivisto and Rune**

Manufacturer: **Arflex**

£2,474

DESCRIPTION

Jules armchair by Claesson, Koivisto & Rune for Arflex.

Inspired by the Francois Truffaut's celebrated film, Jules and Jim are a pair of easy chairs with distinct joie de vivre.

Although different in size (Jim is slightly larger than Jules) the chairs share a rounded geometry which allows them to be easily placed within a range of contexts.

DIMENSIONS

71w x 77d x 80cmh

Seat height: 43cm

MATERIALS

The chair is formed from moulded polyurethane and can be covered in a variety of fabrics. See the downloadable upholstery specification sheet for details, or visit our showroom to view samples.

Arflex suggests the following fabrics for an optimal finish: Blog, Bombay, Boucle, Brest, Chelsea, Lama, Mistral or Soho.

The metal chair base features a strip of wood set along the outer face of each leg. This detailing is available in chocolate stained ash, wenge or oak.
