

## Yuzu Lounge Chair, 2023

Designer: **Claesson Koivisto and Rune**

Manufacturer: **Arflex**

£3,011

### DESCRIPTION

**Yuzu Lounge Chair by Claesson Koivisto Rune for Arflex.**

The Yuzu armchair may be small, but it is incredibly comfortable and full of character. The chair's rounded and organic shape is playful and appears almost animal like with the curves between the legs and the contrasting black feet.

The seat is available in a range of different upholsteries.

### DIMENSIONS

84w x 84d x 78cmh (seat height: 43cm. Arm rest height: 65cm)

### MATERIALS

Yuzu's structure is made from metal, with moulded polyurethane foam for the structure and seat upholstery. The feet are in black polyethylene.

Upholstery options:

**T2: Derby**

**T3: Cherie, Lama**

**T4: Hero 2, Orbaco, Steelcut 3**

See the downloadable spec sheet for details.

The fabric cover is not removable.
