DESCRIPTION

Marechiaro three-seater sofa by Mario Marengo for Arflex.

Embodying a design of formal essentiality, the Marechiaro sofa remains relevant today despite being conceived in 1976. Its elongated and boxy shape make it suited to both classic and contemporary aesthetics.

The architect-designer, Mario Marengo, also designed the sofa in two-seat and four-seat options, as well as an armchair. These can be discovered in the related product range below.
