

Juno 02 Dining Chair

Designer: **James Irvine**

Manufacturer: **Arper**

£140.83

DESCRIPTION

Juno 02 Stackable Dining Chair by **James Irvine** for **Arper**.

The Juno 02, designed by James Irvine in 2022, is cast in a single form from recycled polypropylene, creating the chair's fluid lines and a light profile.

Stackable up to 10 chairs and designed for both indoor and outdoor use. Available in a palette of 6 finishes inspired by the natural world.

The Juno 02 is also available in an armchair version, and with an upholstered seat. Please enquire [here](#) for more information.

Please note: minimum order is 2 chairs in the same colour.

DIMENSIONS

47w x 53d x 47/78cmh

MATERIALS

Made of polypropylene containing 70% recycled materials, obtained from post-industrial waste.
