

Umbrella Stand 115

Designer: **Alvar Aalto**

Manufacturer: **Artek**

£579

DESCRIPTION

Umbrella Stand 115 by **Alvar Aalto** for **Artek**.

Artek stands for art and technology. The Finnish company is renowned as one of the most innovative contributors to modern design. They stand out for the clean lines, quality and longevity of their products, all made using a combination of traditional craftsmanship and new techniques.

The Umbrella Stand 115, designed by Alvar Aalto in 1936 for Artek, is a unique stand that brings together birch and brass composed of three pillars connected by two hand bent lamella loops. Inside the base, a brass pan collects any drops of rainwater.

DIMENSIONS

28w x 24.5d x 48cmh

MATERIALS

Birch umbrella stand in natural lacquered finish with brass tray.
