## DESCRIPTION

**66 dining chair** by **Alvar Aalto** for **Artek**.

Artek stands for art and technology. The Finnish company is renowned as one of the most innovative contributors to modern design. They stand out for the clean lines, quality and longevity of their products, all made using a combination of traditional craftsmanship and new technics.

Chair 66 is a universal wooden chair in the tradition of classic kitchen and café chairs; its visible, additive construction logic is full of character and pleasing to the eye. The wide backrest offers comfort and flexibility, while the Finnish birch used to make the chair is both durable and lightweight. With its handle-like seat back, Chair 66 is easy to move wherever it is needed. Available in a variety of colours and finishes.

An upholstered version also available, please enquire for information.

Assembly required.
