

## Chair 69

Designer: **Alvar Aalto**

Manufacturer: **Artek**

£424

## DESCRIPTION

**Chair 69** designed by **Alvar Aalto** for **Artek**.

Artek stands for art and technology. The Finish company is renowned as one of the most innovative contributors to modern design. They stand out for the clean lines, quality and longevity of their products, all made using a combination of traditional craftsmanship and new technology.

The Chair 69 is one of Artek's most popular chairs, a universal wooden chair in the tradition of classic kitchen and café chairs. With a broad seat and supportive backrest, Chair 69 designed in 1935, exudes durability and stability while retaining an elegance of line. Available in a variety of colours and finishes.

An upholstered version also available, please enquire for more information.

Assembly required.
