

Side Table 915

Designer: **Alvar Aalto**

Manufacturer: **Artek**

£993

DESCRIPTION

Side Table 915 by **Alvar Aalto** for **Artek**.

Artek stands for art and technology. The Finnish company is renowned as one of the most innovative contributors to modern furniture design. They stand out for the clean lines, quality and longevity of their products, all made using a combination of traditional craftsmanship and new technics.

Designed in 1932, the 915 Side Table was originally created for the Paimio Sanatorium, Finland. It features distinctive upturned edges and two elegant loops of lamella that connect the two shelves, showcasing the fluid curves that are characteristic of Alvar Aalto's work. The 915 Side Table stands out while being exceptionally lightweight and durable.

DIMENSIONS

59w x 49d x 59cmh
