

## Aalto Table 84

Designer: **Alvar Aalto**

Manufacturer: **Artek**

£1,872

## DESCRIPTION

**Aalto Table 84** by **Alvar Aalto** for **Artek**.

The Finnish company Artek is renowned as one of the most innovative contributors to modern furniture design. They stand out for the clean lines, quality and longevity of their products, all made using a combination of traditional craftsmanship and new techniques.

The square Aalto Table 84 can be combined easily with other Aalto Tables, such as the Half-Round Table 95 and Rectangular Table 80A, to create a modular dining solution to fit your space following Alvar Aalto's conception of versatile furniture.

With legs and details of Finnish birch, Aalto tables radiate natural warmth, paired with tabletop materials that age gracefully over time.

## DIMENSIONS

120w x 120d x 74cmh.

## MATERIALS

Solid birch legs and top edge-band.

Table top available in a choice of birch veneer, white laminate, or black linoleum.
