

Aalto Round Table 91

Designer: **Alvar Aalto**

Manufacturer: **Artek**

£1,928

DESCRIPTION

Aalto Round Table 91 by **Alvar Aalto** for **Artek**.

Artek stands for art and technology. The Finnish company is renowned as one of the most innovative contributors to modern furniture design. They stand out for the clean lines, quality and longevity of their products, all made using a combination of traditional craftsmanship and new techniques.

DIMENSIONS

125dia x 74cmh

Tabletop is 5cm thick.

MATERIALS

The Aalto 91 table uses the same construction techniques as the 80 range but offers a circular top.

The 91 table has four L-legs in solid birch.

Solid plywood forms the tabletop, with a birch edge.

Tabletop surface available in birch veneer, a white laminate, or black linoleum.
